The screenshot shows the Toad World website homepage. At the top left is the Toad World logo with the tagline "Connected Intelligence". To the right is a search bar and a "SIGN IN | SIGN UP" link. Below the logo are four navigation buttons: "DISCUSS in the community", "LEARN from expert resources", "FOCUS on a platform", and "EXPLORE a product". A large banner features a woman in a red shirt holding a laptop, with a blue overlay on the right that reads "Toad for Oracle, justified!" and "See how Toad delivers an astounding return on investment. And show decision makers the value of purchasing Toad." Below this is a "Click Here for More Info" link. Underneath the banner is a section titled "Ask Toad World" with a search bar and a "What Toad World" dropdown. At the bottom, a "Tap into the talent pool" section displays statistics: "3m unique visitors", "20k resource", and "10k questions answered", along with a "Get More Out by Logging In" button that says "Sign in now with your email address".
